

Activity #2

Prison Break!

Peter had been locked up in a prison for preaching the truth about Jesus, and the ruler of the country was going to have him killed! But Peter's friends kept praying for him, and one night God sent an angel to the prison. The angel woke Peter and told him to get dressed. The chains fell off Peter's wrists! The guards right beside Peter were sleeping as Peter got dressed. Then the angel told Peter to follow him. Peter didn't know if it was really happening, but he obeyed the angel and they walked right past two guard stations and out through the prison gate. When the angel disappeared and left him standing on the street, Peter knew that God had really rescued him from the prison!

In the maze below, help Peter find his way out of the prison.
