

# Rahab's Red Rope

Even though she was raised in a wicked city, Rahab chose to worship God and help save the two messengers Joshua sent. She risked her life and used a red rope to lower the spies out the window on the city wall to save them from the wicked king's soldiers. Her red rope was a symbol of Jesus and His death on the cross to save us!

Use a red crayon or marker and draw a red rope through the maze below. Start at the underlined letter "J" and trace a line through each letter of the name of Jesus in the correct order, ending at the underlined letter "S" in the top right corner. Be careful whenever you come to the question mark! Which way should you go?
