

Activity #6

A Fiery Chariot

Because Elisha followed Elijah faithfully and saw him taken up into heaven in a chariot of fire and a whirlwind, God gave Elisha his wish: a double portion of Elijah's spirit. That means he was filled with the Holy Spirit so he could do many good things and help many people learn about God's love for us.

In the puzzle below, find the name Elijah in the whirlwind. Connect the letters in any direction to spell his name. One example is marked, but there are at least four more. How many can you find?
