

Giants in the Land!

When Moses sent 12 spies to scout out the Promised Land where God wanted them to live, they brought back a giant cluster of grapes that took two men to carry! Two of the spies, Caleb and Joshua, told the people how wonderful it was there. The land was rich and beautiful with many hills and valleys. There was plenty of water for gardens and lots of delicious fruit to eat!

The ten other spies grumbled and said the people who lived in the Promised Land were scary giants that were too strong for them. They were afraid to go live there. But Caleb and Joshua trusted God. They wanted to move in right away because they knew God would take care of them!

In the maze below, help the spies carrying grapes find their way back to the Israelite camp.
