PROPHECY ENCOUNTER

We'll be sharing life-transforming prophecy in our community!

Our church is joining Amazing Facts and Doug Batchelor by satellite for a fresh, practical look at Bible prophecy! Throughout this exciting new Revelation series, we're inviting our community to explore often misunderstood but vital Bible teachings in a way anyone can understand. *Prophecy Encounter* will not only inform our guests about Bible prophecy, it will help them find the way to lasting peace and hope amid these dark and confusing times. Please make plans now to participate!

“The people in your community are anxious about the future and are seeking real answers. *Prophecy Encounter* will give them those answers and offer lasting hope. This winter, we can come together as God’s people to share His last-day message and grow your church! Please plan now to have your church or small group join Amazing Facts for this soul-winning series.” —Doug Batchelor
