THE AFCEE MISSION

“Go into all the world and preach the gospel.” —Mark 16:15

The Amazing Facts Center of Evangelism team can train you and your church to become dynamic, effective soul-winners—no matter your background or experience in evangelism!

Our professional, caring instructors will equip you with the information and tools you need to reach any soul for Christ at any time and any place. So what are you waiting for? Become the courageous disciple God has called you to be!

Welcome to the Amazing Facts Center of Evangelism (AFCOE).

You have chosen an institution of academic and practical excellence, and we thank you for your interest in our program. Our purpose is to disciple committed Christians to do effective evangelism.

This dying world needs the message of a living Savior! God is calling people to prepare for service. Jesus said, “The harvest truly is great, but the laborers are few: pray ye therefore the Lord of the harvest, that he would send forth laborers into his harvest” (Luke 10:2).

Nothing is more rewarding or exciting than seeing people accept Christ as their Savior and embrace the truths of God’s Word. Many Christians long to effectively witness for God, but they lack the training that will enable them to be successful. Our center is designed to help Christians become dynamic soul winners for God’s Kingdom.

AFCOE is uniquely situated at the new Amazing Facts International headquarters where you will see that real church growth can happen without bringing in worldly methods and entertainment. Our vast resources of radio, social media, television programs, a thriving church, and our staff will help you learn how to better share God’s truth in these last days.

Principles of Christian Faith

Powerful course exploring selected fundamental Christian doctrines as believed and outlined in the 28 fundamental beliefs of the Seventh-day Adventist Church. Develop concise and meaningful answers to significant questions and objections to these doctrines from a Christ-centered perspective using the Bible as the basis of authority. Focus on applying biblical doctrines into personal life and witnessing opportunities.

Prophetic Studies

A detailed, verse by verse study of the books of Daniel and Revelation with emphasis upon the interpretation of prophecy, apocalyptic imagery and symbols, and how to present these prophetic messages in an evangelistic setting. Special attention will be given to understand the context of Jesus' death and second coming, the literary and chiastic structures of both prophetic books, the themes and central messages, as well as applying these into personal witnessing opportunities.

Personal Evangelism

Study the fascinating principles of soul-winning, the process of conviction, and the art of leading people to decisions for Christ. Learn to effectively communicate biblical truth through friendship evangelism, focused conversations, your personal testimony, door-to-door surveys and canvasses, community programs, health evangelism, social media, and Bible studies. Christ's example of witnessing is highlighted.

Public Evangelism

Practical and theoretical instruction into the planning and implementation of the complete cycle of evangelism with a special focus on preparing and preaching sermons and organizing your own evangelistic series. All aspects of this course will be experienced in a live field school with an Amazing Facts evangelistic campaign that affirms our solid theological foundation. Special emphasis on developing, planning and implementing your own ministry.

Practicum in Ministry: Community Outreach

Real life, hands-on field experience and instruction in friendship evangelism, door-to-door ministry, giving Bible studies, hosting an evangelistic seminar and evangelistic visitation.

In addition to the basic training that everyone receives while at AFCOE, students will receive specialized instruction and mentorship in other areas like Bible worker, oversees mission work, self-supporting ministries, health evangelism and much more. Some of these courses will be accredited for higher education through Weimar Institute.

AFCOE Mission Trip

Immediately following every AFCOE session, students have the opportunity to travel to a foreign country for two-three weeks and preach their very own evangelistic series! This hands-on program allows students to implement what they have learned at AFCOE; prophecy meeting preparation, giving Bible studies, leading souls to Christ, etc.—while following the great commission to “go and make disciples of all the nations.” You too, can have the incredible privilege of being a co-laborer with Christ in this exciting adventure! Location and costs will change from year to year. We will announce once we have all the details. The cost of the mission trip is not included in tuition or housing.

An important part of AFCOE training is the practical application of the information students learn in class. This includes regular opportunities for students to develop their skills and gifts in real-life experiences with non-believers.

Students work in teams of two under the supervision and guidance of experienced Bible workers, pastors, and evangelists. They seek to take non-believers from the point of initial contact all the way through to baptism and full profession of faith.

Participation in a local evangelistic meeting conducted by Amazing Facts and their partners also provides an important part of the training.

Some ministries in which students will participate include: prayer ministries, friendship evangelism, campus ministries, door-to-door ministry and one-on-one Bible studies, visiting people who have responded to Amazing Facts media programs, reclaiming former and missing members, running a correspondence Bible school, leading small-group studies, evangelistic visitation, gaining decisions, and preparing people for baptism.

Our classes are designed to give each student the personal attention they need to develop their soul-winning potential.

“After AFCOE, then what?”

AFCOE provides a unique springboard into many ministry options. However, like most other schools, we do not guarantee employment upon the completion of our course.

The most common position available to AFCOE graduates is Bible worker. Some youth evangelism positions might also be available after graduation.

AFCOE graduates are able to work as lay pastors; however, we generally encourage those who desire to enter pastoral ministry to continue their studies in theology at a college or university.

You will find that AFCOE is an excellent place for you to develop the skills and experience you need to enter into a satisfying and lifelong work in evangelism and ministry. You will learn many ways to bring training, revival and promote evangelism in your local church, as well as other churches in your community and conference.

Many conferences and churches contact us requesting the services of an AFCOE-trained Bible worker. If our graduates are interested in employment, we regularly notify them of open positions and also post opportunities at www.afcoe.org. (These postings are available only to AFCOE graduates.) Graduates will then deal directly with the churches involved. In most cases, the local church will then employ the Bible worker on a contract basis

Many of our graduates have continued on to become ...

- Campus Outreach Leaders
- Church Planters
- Conference Bible Coordinators
- Health Ministry Leaders
- Medical Missionaries
- Music Evangelists
- Pastors
- Chaplains
- Church Trainers
- Evangelists
- Literature Evangelists
- Missionaries
- Outreach Coordinators
- Youth Directors

Biblical Principles

Students are expected to live in harmony with biblical teachings and the guidelines of the Seventh-day Adventist Church.

Personal Devotions

We strongly encourage each student to maintain a regular time of personal prayer and Bible study. Without this experience, you will miss the blessing that could otherwise be yours during our time together.

Social Relations

A friendly and professional association is expected between students. Because of the intensity of the program, dating and courting are not allowed among the students while in school. All students are required to maintain a high standard of moral purity, avoiding the appearance of inappropriate attentions to the opposite sex.

Sabbath Observance

The Sabbath hours, from sundown Friday to sundown Saturday, are a sacred and joyous time for spiritual renewal, public worship, and Christian fellowship. Secular activities (shopping, business, and distracting amusements) are to be avoided during this time. Attendance at morning worship, Wednesday night prayer meeting, Friday night vespers, and Sabbath worship services are required unless otherwise announced.

Dress

Dress and grooming should be modest, neat, and clean. Please do not wear shorts, jeans, sleeveless tops, skin-tight apparel, or low-cut shirts. Dresses and skirts must be knee length or below. Jewelry, including wedding bands/rings, are not to be worn. Tattoos should be covered and not visible if possible. Please keep your hair as close as possible to its natural color, no flamboyant colors.

When participating in class or community outreach, a professional casual look is expected. (No jeans or T-shirts.) For ladies, please wear skirts or dresses to worship services. Skirts and dress pants are acceptable for outreach. For gentlemen, please wear dress pants and collared shirts.

Forbidden Items

In no case will firearms, hunting knives or pocketknives, recreational drugs, tobacco, alcoholic beverages, pornography, gang symbols, or occult items be permitted in the housing, car, or possession of AFCOE students. Discovery of such items is grounds for immediate dismissal without a refund. To insure proper focus, students are not allowed to have employment during AFCOE.

Honesty

All students are expected to have a high standard of personal integrity. All forms of dishonesty, such as cheating and plagiarism, are grounds for dismissal without a refund. Integrity should also be displayed in computer usage, such as avoiding accessing websites of questionable moral nature. Care must be taken in the use of equipment at Amazing Facts and local churches. Integrity also should be shown in one's interactions with other students.

Attendance

AFCOE encourages students to take responsibility for class attendance. Students must participate in all scheduled classes and outreach activities and be on time to each scheduled event. If a student is absent, he or she must fill out the appropriate form. Three unexcused absences from class will result in disciplinary action. Three unexcused instances of tardiness will equal one un-excused absence.

Student Dismissal

Students are asked to assist the staff and other students by manifesting a cooperative, harmonious attitude. Students must complete assignments by the due date, meet community outreach goals, and abide by written rules as outlined in this handbook. If you have concerns, questions, or special circumstances, please discuss them with administration. Every effort is made to carefully resolve such issues. AFCOE reserves the right to dismiss without a refund a student who fails to abide by the policies and guidelines outlined in this handbook. Unexcused absences, including frequent tardiness, will result in disciplinary actions.

Housing

A letter specifying your accommodations and what you will need to bring will be sent to you. You should expect to share an apartment with several other students. There will be two students to each bedroom.

Meals

Meals are the responsibility of each participant.

Cleanliness

Please keep your living quarters and common areas clean at all times.

Computers

You will need to have a personal computer to complete and submit your assignments and out-reach projects. No DVD or downloaded movies should be used during your time here, unless they are of a religious nature. Free access to the internet will be available in the AFCE classroom.

Damage

Students are responsible for damage done to their apartment and will be charged for the cost of repair.

Utilities

Gas and electricity are covered in your fees.

Pleasant Environment

When sharing a room, please do everything possible to be pleasant. Little courtesies go a long way! Don't neglect them. Please share responsibilities for keeping the facilities clean and respect the personal property and space of your roommates.

Telephone

Landline is not included.

Television and Music

We ask students to maintain a quiet, studious atmosphere conducive to spiritual thoughts and in harmony with Christian principles. In order to best meet the needs of our program and promote Christian development, we do not allow televisions in the apartments and rooms.

If you wish to listen to music in your accommodations, please obtain the consent of your roommates before playing it. If necessary, use headphones or keep the volume low.

All music needs to be in keeping with Christian standards as set forth in Philippians 4:8. Music classified as “Christian rock” or “rap” is not appropriate.

Transportation

Participants are responsible for providing and maintaining their own transportation for class attendance and community outreach activities. It may be possible for students who do not bring their own vehicle to be teamed with those who do. In such instances, these students will pay a transportation fee to help offset gas and vehicle expenses. This fee (\$350) is based on current gas prices and is due at Registration. Please make your own airport transportation arrangements.

DOUG BATCHELOR is president of Amazing Facts International and the Senior Pastor of the Granite Bay Hilltop SDA Church. Recognized as a rational biblical speaker, visionary leader, and dedicated soul-winner, Pastor Doug shares a passion to reveal Christ and the plan of salvation through Scripture. “Ask the pastor” is a favorite class of AFCOE students, as they tap into Pastor Doug’s years of experience in answering Bible questions.

JÉAN ROSS serves as the Vice President of Evangelism at Amazing Facts International. Pastor Jean is the cohost of the popular radio program *Bible Answers Live*. After 18 years in pastoral and lay-evangelism training, he created the *Empowered Church Program*—a dynamic resource that helps local churches prepare for public evangelism events. His presentations on church health, evangelism, Bible prophecy, and practical godliness are inspiring and engaging.

CARLOS MUÑOZ serves as Director at AFCOE and is an associate speaker for Amazing Facts. As a young man, Carlos lived for the pleasures of this world, but he felt empty and without purpose until he surrendered all to Jesus. While serving in New York City as a bilingual teacher, his love for Christ and His Word grew. Carlos is passionate about sharing Bible truths through prophecy seminars and training churches in evangelism.

DANIEL HUDGENS serves as Assistant Director at AFCOE and a graphic designer in the Amazing Facts marketing department. He pastors two churches in southwest Arkansas. Daniel grew up fascinated by the fictional battles between superheroes and villains on TV and in comic books—leading to deep questions. He finally found answers in the Bible, which revealed the true war between good and evil. Daniel has since dedicated his life to sharing the truths of Scripture and equipping churches through revivals, evangelism training, and prophecy seminars.

MARTIN KIM serves as the outreach coordinator for AFCOE and is an associate speaker for Amazing Facts. He co-founded 24/7 United Prayer, a worldwide prayer ministry that fosters revival and transformation. He is passionate about prayer, revival, and equipping others for the imminent return of Jesus. The following quote sums up best his passion for prayer: “When man works, man works. But when man prays, God works.”

JESSICA CASTRO attended AFCOE in 2017. Shortly after that, she went through a colporteur program called Youth Rush, where she found a passion for literature evangelism. She participated in another evangelism school called SOULS West for two years. It was there that her love for canvassing and outreach increased more. After graduating from SOULS West, she worked there until she was called back to serve, where her spiritual journey first began, at Amazing Facts. From working as a writer in the Correspondence department, she is now the AFCOE registrar and assistant to Carlos Munoz and Pastor Jëan Ross.
