1. We love Thy Sab - bath, Lord, And wor - ship at Thy will;  
 2. Thine an - gels sang for joy Cre - a - tion's work to see;  
 3. Praise for Thy won - drous love, That sealed this sa - cred day,  
 4. O great Cre - a - tor King, Through Thy re - deem - ing grace,  
 5. And with the white - robed throng, Up - on Mount Si - on be,

Oh may these hours sweet peace af - ford And deep - er faith in - still.  
 We too, this day, would raise our hearts In grate - ful praise to Thee.  
 A sign that all may un - der - stand We own Thy sov - ereign sway.  
 Re - new and sanc - ti - fy our hearts That we may see Thy face.  
 And joy - ful sing our Sab - bath song Through all e - ter - ni - ty.
