

PROCLAIMING THE FINAL EVENTS of PROPHECY

January 2018

An Amazing Fact: Members of the International Flat Earth Society, begun in 1956, say they believe our planet is as flat as a dinner plate—despite evidence from thousands of satellites, dozens of manned spaceflights, and untold numbers of ships that have sailed around the globe. Amazingly, a headline in one of their official newsletters reads, “Whole World Deceived ... Except the Very Elect!”

Dear friend,

Have you ever encountered someone who believes the earth is flat? It can be quite surprising, to say the least. But the idea that almost the whole world could be deceived by Satan is even more alarming.

When it comes to the final events of Bible prophecy, the devil is concocting a masterpiece of deception. Jesus warned us, “For false christs and false prophets will rise and show great signs and wonders to deceive, if possible, even the elect” (Matthew 24:24).

Today we see world events rapidly aligning for the last great conflict, and we have an urgent mission to carry the final three messages of Revelation 14 to the world. You can accelerate God’s work in these last days, helping millions of people each month learn these essential truths, by supporting Amazing Facts.

When Jesus came the first time, the church was unprepared because the people had been taught false concepts regarding prophecy. The vast majority were deceived. It’s happening again! I am deeply concerned that most Christians today are totally misled by counterfeit scenarios regarding last-day events.

If we do not challenge these false teachings, millions may be eternally lost! I cannot sit by and quietly watch Satan steer the masses down a counterfeit path that will lead them to destruction.

No! God wants you and me to do all we can to warn everyone who will listen about what is coming—before it’s too late. We still have a brief window of opportunity to share God’s end-time message.

Opening Eyes

Even though there is a mountain of data to the contrary, thousands believe the earth is flat. They seem to have their eyes and ears closed, refusing to consider the evidence.

In contrast, *millions* remain deceived about the Word of God and prophecy—because they have never seen the evidence! They are longing for the plain truth and would gladly embrace it if they could only see it. You and I can remove their blinders and help rescue millions more from the devil’s slick deceptions. People like David ...

He recently wrote me, “My wife introduced me to your television program. I was astounded by the clear understanding with which you revealed mysteries that have eluded me my entire life regarding Revelation. Since I was young, I have poured over this book of the Bible and been fascinated by the prophecies contained in its pages.

“Only days ago, I spent many hours crying out to the Lord for understanding. Now I firmly believe that the Holy Spirit has led me to your ministry.” Praise the Lord!

David adds, “Since coming to your website after watching your program, I have spent hours engrossed in the online studies you provide free of charge. They have blessed and challenged me. They have expanded my understanding of God’s Word in ways that years of studying the Bible on my own and listening to teachers from other ministries have never come close to.

“I thank the Lord God Almighty for bringing me here!”

Thank you, friend, for helping Amazing Facts reach David with the Bible truth.

His Time Is Short

Satan knows his time is short, so he is doubling his efforts. Last year we saw devastating natural disasters strike the earth—floods, earthquakes, fires. The morals of the world are repeating the days of Sodom and Noah. The relentless march of terrorists and the flexing of nuclear arms by rogue nations all tell me that time is short.

Late last year, the United States recognized Jerusalem as the capital of Israel. This inflamed Middle East tensions and diverted millions of confused minds with that deceptive evangelical narrative of prophecy, setting the stage of Satan’s ultimate deception.

With the urging of local Catholic bishops, Poland recently approved a new Sunday law—that other European nations are expected to follow. It’s happening!

Wherever the pope travels—America, Europe, Asia—he calls for Christian churches to unite. Not only Christian churches either, as he’s reaching his hand out to Muslims, Jews, Hindus, Buddhists, and other groups. One news writer observed that “Pope Francis’ push for unity is going into overdrive.”

We know Christ never compromised truth in the name of unity. Neither should we. Amazing Facts—with your support—will uphold Bible truth even when it isn't popular to do so.

That's why we need you to stand with us.

Revealing the *Final Events*

Of the many resources that Amazing Facts has produced, nothing has made such a broad impact in helping people understand prophecy as *The Final Events of Bible Prophecy* documentary. People and churches have distributed over a million DVD copies—and millions have watched on YouTube and other websites. It has transformed thousands of lives ...

- After watching *Final Events*, Lorne has “never been the same.” He purchased 100 DVDs to share with friends.
- Leroy discovered *Final Events* by accident and told a friend about it. This friend was actually a supporter of Amazing Facts who led Leroy to join God's church!
- A university student in India was invited to a church where someone gave her a *Final Events* DVD. It led her to more Bible studies, and she was baptized!

The urgency of our times and the pressing need to communicate the *Final Events* message to more people is clear!

And today, sharing magazines are a powerful tool to overcome Satan's deceptions. Thousands have told us how Amazing Facts' colorful magazines—like *Hidden Truth*, *Amazing Health Facts*, and *The Rest of Your Life*—have drawn tens of thousands to read about God's truth.

That's why I believe God is calling Amazing Facts to blow the trumpet urgently in the same way in order to direct people to the truth about prophecy before Christ returns!

The Bold Plan

So, with your help, we are planning to publish a stunning, engaging magazine based on the popular *Final Events* DVD. It's a witnessing resource you can use to present the Bible facts about the soon close of time, bringing hope and understanding to tens of thousands.

Grounded in Scripture, *Final Events* will feature stunning graphics and easy-to-understand articles detailing Bible truths about the signs of Jesus' return, the close of probation, and more. It will also refute popular but unbiblical teachings about the last days and invite readers to discover more truth through the Amazing Facts Bible School.

Friend, January is often the slowest month of the year for donations, so we are taking a big step of faith in taking on this project right now. Yet I feel time is too short to delay. So our resource team is already working on this life-changing publication. But we need your help to complete it and distribute it by the millions!

We will also get this magazine translated and into the hands of people and churches around the globe as quickly as possible. We're praying earnestly for God's blessing and asking you to join us in this mission.

Will you stand with me today and prayerfully send a sacrificial gift to support this project—along with all the other Amazing Facts outreach efforts helping people know about Jesus' life-saving truth? I'm trusting by faith that God will move on your heart to help us write, design, print, translate, *and* distribute this precious truth at this crucial time in history. This daring project will cost \$120,000 to complete. Your gift, whatever the size, will help us meet this need.

As my thanks for your generous gift this month, I want to send you a complimentary copy of my recent book, *Prophecy Encounter*, and our *Prophecy Foundations* study DVD! I believe these two resources will be a great blessing to you—please share them with others! And remember to share your prayer requests on the back of the enclosed card. P.S. So many sincere people have been mesmerized by myths about Bible prophecy. Satan is preparing them to accept his terrible counterfeit. Yet many are still seeking for the truth, so we must bring it to them. You can help them understand the final events of prophecy so they turn to Christ while mercy still lingers. Your gift today will help others find peace with God and prepare them for Jesus' return. Thank you!
