THE BIBLE'S GREATEST STORIES!

A 10-PART REVIVAL WITH  
PASTOR DOUG BATCHELOR

## YOU'RE INVITED!

Heroes are in short supply these days. I'm not talking about movie celebrities, sports superstars, or music idols. I'm talking about godly men and women that we can truly admire—people who can teach us how to live victoriously by faith.

Today, the church needs to lift up the inspirational characters of the Bible, the ancient witnesses from the Old and New Testaments who point us to Christ and show us how to live holy lives in preparation for Jesus' soon return.

So please join me this March for *Inspiration: The Bible's Greatest Stories* as we learn from some of the most notable people in Scripture about living for God in these troubled times.
