

## **Jesus Shine on Me**

- 1. Jesus be the sun shining on my way,  
Warm me on the road to your eternal day.  
Melt my icy heart, teach me to obey,  
O, Jesus be the sun shining on my way.**

**Chorus: Jesus shine on me, everywhere I go  
When I follow fast and if I listen slow.  
On bright mountains high, in dark valleys low.  
Jesus shine on me everywhere I go.**

- 2. Jesus be the moon shining in my night,  
If temptation calls me, help me do what's right.  
When blue shadows crowd me, comfort with your light,  
Jesus be the moon, shining in my night.**

**Chorus: Jesus shine on me, everywhere I go  
When I follow fast and if I listen slow.  
On bright mountains high, in dark valleys low.  
Jesus shine on me everywhere I go.**

- 3. O, Jesus be the star shining in my soul.  
Teach me to trust, as you make me whole.  
Sparkle like a diamond in a lump of coal.  
O, Jesus be the star shining in my soul.**
